

THARINDU RUWANTHA

Mobile & Web App
Developer | Aspiring
Business Analyst

ABOUT ME

Mobile & Web App Developer and Aspiring Business Analyst with expertise in Flutter, React, and JavaScript, currently pursuing a BASc at Wayamba University of Sri Lanka. With 3+ years of IT teaching experience and a background in financial operations at Zola Coating, I have developed strong communication, analytical, and problem-solving skills that translate directly into Business Analysis. Certified in Agile Business Analysis and Generative AI Workflows (LinkedIn Learning, 2026), I am passionate about bridging the gap between technology and business — helping organizations make smarter, data-driven decisions.

EXPERIENCE

Committee Member

ACISS, Wayamba University · Jul 2025 – Present

Active committee member contributing to computing & information systems events, workshops, and student activities at university level.

ICT Teacher (Part-time)

Self-employed · Feb 2023 – Present · Sri Lanka

Delivering IT education to O/L and A/L students, covering core computing concepts, ICT theory, and practical skills.

Account Assistant

Zola Coating · Full-time · Dec 2023 – May 2024

Managed day-to-day financial operations including invoice processing, expense tracking, and financial reporting. Applied leadership and account management skills in an on-site environment.
